

LANDSCAPE ARCHITECTURE REGISTRATION EXAMS SUPPORT ATTESTATION FORM

To provide support to candidates testing for the Landscape Architecture Registration Exam (L.A.R.E.) in Canada, the Council of Landscape Architectural Registration Boards (CLARB) and the BC Society of Landscape Architects, Alberta Association of Landscape Architects, Manitoba Association of Landscape Architects, and the Ontario Association of Landscape Architects have established the **Todd Reade Canadian L.A.R.E. Support Program**. This program is intended to provide financial relief to Canadian candidates who are preparing for or actively taking the L.A.R.E.

BCSLA is working with the American Society of Landscape Architects (ASLA) to provide access to a series of [L.A.R.E. Prep Workshops](#). **BCSLA will cover the registration fees to a maximum of ten (10) eligible BCSLA Interns on a first-come, first-served basis. Deadline to register is 4:00 pm on Monday, October 7, 2025.**

Applicant Information

I confirm that I have set up an ASLA account using the email address listed below and have logged into the account at least once since setting it up. I also attest that I will attend the webinar selected below.

Inventory, Analysis, and Project Management - October 10 at 10:00 am ET

Grading, Drainage, and Stormwater Management - October 10 at 2:00 pm ET

Planning & Design - October 10 at 2:00 pm ET

The support program has been named in memory of Todd Reade, who passed away in 2022. He served as the Alberta Association of Landscape Architects Executive Director. Todd also volunteered his time and energy to the Council of Landscape Architectural Registration Boards and many other great organizations.

Founded in 1899, the American Society of Landscape Architects (ASLA) is the professional association for landscape architects in the United States, representing more than 15,000 members. To learn more about ASLA, landscape architects, and landscape architecture, visit [ASLA.org](https://www.asla.org)

The [Council of Landscape Architectural Registration Boards](#) is a nonprofit organization that works to protect the public's health, safety and welfare by establishing and promoting professional licensure standards. Our members are the licensure boards across the United States and Canada.
